

BEER CLASSES

Craft Beer Classes!

Using his complete knowledge of beer and related businesses, craft beer aficionado Larry Goeser - Good Beer Larry, has taught beer to interested people from all around the world. His background includes beer tastings, beer and food pairings and other fine beer events at local restaurants and other venues. He has also taught and developed beer curriculum at Miami Dade College. Current class information available on the website below.

Craft Beer Party

Make your party a craft beer event!

Serve craft beer to add variety to your guests choices. Have a beer tasting where your guests can try a selection of craft beers then choose one they like. The possibilities are almost unlimited and can be fun. Most craft beers can be paired with different foods being served at the party. Beer and food pairing can be challenging and rewarding. Tasting sheets with beer descriptions and room for notes are provided.
