

Spring 2011

BEER 101

Learn all about craft beers: how they are made, their history, the many varied styles available and taste a few along the way. Explore the various tastes of beers and how to have your own beer tasting. The class will consist of six two-hour sessions, each dedicated to something different about the craft beer movement now taking hold worldwide.

(Students must be at least 21 years old to register for class)
