McMenamins Edgefield

2126 SW Halsey Street
Troutdale, Oregon 97060

Edgefield is open year-round. We are 20 minutes from downtown Portland, five minutes from the Columbia River Gorge National Scenic Area, and 15 minutes from Portland International Airport.

By car: Take I-84 east from Portland to Exit 16. Follow 238th Drive south to the first traffic light; turn left at Halsey Street and go east for one-quarter mile to McMenamins Edgefield.

By transit: From downtown Portland, take MAX light rail east to the Gateway Station; transfer to Tri-Met Bus 24 (Halsey Street) east to Edgefield's main entrance.

A 38-acre estate featuring
a hotel, fine dining restaurant,
brewery, distillery, pub, golf course,
beer garden, winery and tasting room,
four bars, movie theater, artisans, gardens,
retreat facilities and special events.

A favorite gathering place
for both locals and travelers.

On the National Register
of Historic Places

Introduction

McMenamins Edgefield is an unforgettable Northwest experience offering the best in food, beverage and relaxation. Edgefield was originally built in 1911 as the Multnomah County Poor Farm and later became a retirement home. It is now on the National Register of Historic Places. Visitors can relive the history through tours of the renovated buildings and grounds.

Lodging

Edgefield offers more than 100 bed-and-breakfast rooms as well as hostel accommodations, creating a unique lodging experience. Each spacious room is furnished with cozy and inviting decor from the turn of the century. Televisions and telephones are absent, encouraging a tranquil retreat atmosphere. Shared baths for men or women are centrally located in each wing, offering sinks, toilets and showers with total privacy. Suites with private baths are also available. Overnight rates include breakfast in the Black Rabbit Restaurant.

Group Events

Edgefield hosts a variety of events including conferences, banquets, holiday parties, graduations, weddings, rehearsal dinners and reunions. Ten different rooms are available for your special occasions with the largest holding up to 200 people. On-site lodging creates an ideal setting for business retreats or wedding parties.

Business Center

The Business Center is Edgefield's newest addition to the Main Lodge. Housed in the Winery wing, with easy access to many of the conference rooms available for rental, the Business Center is equipped with the technology and supplies needed to conduct business during a company retreat or midweek getaway.

Restaurants & Pubs

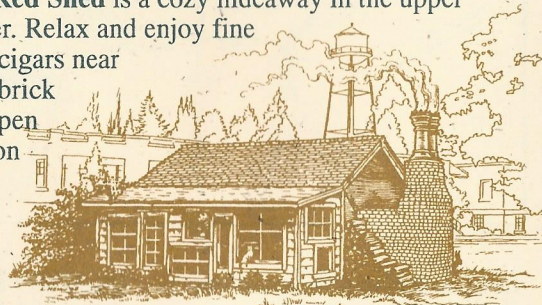

The Black Rabbit Restaurant is located in the heart of the Main Lodge and is open seven days a week for breakfast, lunch and dinner. The menu blends Northwest cuisine with traditional favorites, while an adjacent bar provides full service cocktails, premium spirits and an extensive wine list. The New Orleans-style **Black Rabbit Courtyard** is perfect for outdoor lunch and dinner throughout the summer.

The Power Station Pub & Theater is a classic English-style pub open daily from 11am to 1am, serving burgers, fries, sandwiches and other delicious fare as well as our own ales and wines. Minors are welcome for meals until 9:30pm. The theater shows full-length feature films nightly. Minors are invited to the first show with a parent or guardian.

The Little Red Shed is a cozy hideaway in the upper amphitheater. Relax and enjoy fine liquors and cigars near an intimate brick fireplace. Open late afternoon through evening most days; hours may vary with the season.

The Loading Dock Beer Garden & Grill offers a tasty grilled menu, beer and wine, and seating in the great outdoors. Open daily from June through September, weather permitting.

The Ice House provides televised sports, blues music, whiskeys, tequilas, cigars and cigarettes. Open daily; hours may vary.

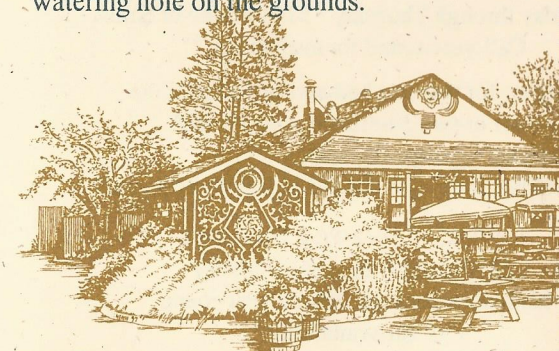

Edgefield Winery

Edgefield Winery enjoyed its first crush in 1998 and later established its own vineyards and Tasting Room. Vintages include Pinot Gris, Syrah, Granache, Riesling, Chardonnay, award-winning Pinot Noir and many more. The Tasting Room is open every day and varies with the seasons.

Edgefield Brewery

This beautiful 23-barrel brewery, established in 1998, is the largest of the McMenamins breweries, producing more than 13,000 kegs per year. Edgefield Brewery creates exceptionally fine ales, such as Terminalia Ruby, Hammerhead, India Pale Ale and Black Rabbit Porter. Enjoy a selection of these handmade brews at our watering hole on the grounds.

Distillery

The Edgefield Distillery started producing spirits in April 1998. A beautiful German Holstein still is our newest facility at the south end of the property. Located at the end of the path beyond Black Rabbit, the Distillery Bar welcomes guests with a premium selection of classic cocktails featuring fresh juices. The Distillery Bar is open every day and night.

Gift Shop

The Gift Shop features a variety of specialty items, McMenamins memorabilia and seasonal themed gifts. Stop in and check out the Shop's acquisitions on your next visit.
