"When you are tired of the heat Think Wheat!"

WICKHAM WHEAT

Our American wheat ale is both light and refreshing with just a hint of Cascades and Fuggles variety hops. It's a great thirst quencher on a warm summer's day. When you're tired of the heat...Think Wheat!

BROWN BOTTOM ALE

Roasted barley and chocolate malt give our version of Brown Ale a rich and "nutty" flavor. Its moderate hop character, contributed by Mt. Hood and Northern Brewer varieties is carefully balanced by an Irish Ale yeast. Bottoms up!

ANNIVERSARY ALE

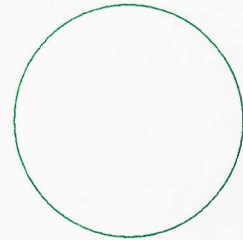

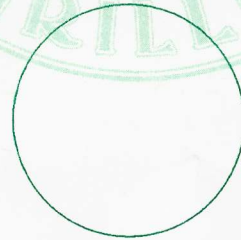

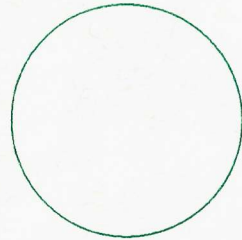

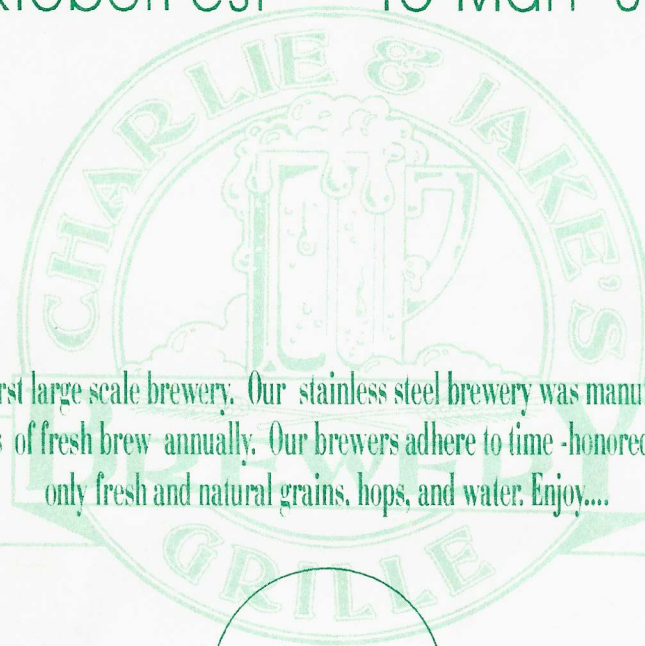

Four separate additions of Cascade Hops provide this Pale Ale with its distinctive bitterness, flavor & aroma. Silver Medal Winner of the 1997 Great American Beer Festival in the American Style Pale Ale Category. Here's an Anniversary you'll never forget!

INDIAN RIVER RED

Cascades and Centennial hops give this amber ale its "hoppy" character and caramelized malts are used to enhance color and flavor. One pint and you're hooked!

Charlie & Jake's is proud to be Brevard's first large scale brewery. Our stainless steel brewery was manufactured by New World Brewing Systems and is capable of producing 700 barrels of fresh brew annually. Our brewers adhere to time-honored tradition to create our beers using only fresh and natural grains, hops, and water. Enjoy....

HARBOR CITY GOLD

Pale and Carapils malts are combined to create a beer light in body and golden in color. Balanced by Saaz hops and Lager yeast, this American Pilsner's finish is crisp and clean. Taste the Treasure!
